

4th Grade Scholars Work Packets

Dear 4th Grade Parents and Guardians,

In this packet you will find helpful website links as well as a calendar of activities for your scholar to do at home. On the calendar, you will find activities to complete in the I-Ready Workbook, on the I-Ready website, and enrichment activities. Please allow your scholar to complete the activities at his/her own pace. We will be using phone calls and e-mails as a primary means of communication.

The school will be open for phone-call only assistance from 9-11 am daily. You can call 731-988-3800 with any questions/concerns.

clever.com/jmcSS is the website you can access at home for your child to get on the I-Ready platform for lessons aligned to the workbook pages. If you need extra materials, please refer to the lessons assigned on I-Ready. Also, the Embarc video posted each week should also be of assistance

Ms. Ellis
