

ZOOM CHEAT SHEET

ZOOM is a platform where we can interact online.

Your teacher will send you a link by text or email or you can find your code in the box to the right.

Join using your computer, laptop, tablet or cell phone! If you use a mobile device you must download the app.

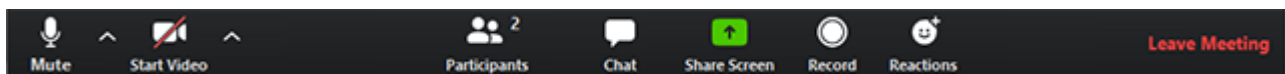

Speaker View allows you to see only the speaker or the presentation shared by the speaker.

Gallery view allows you to see everyone on the call. If you are on a mobile device, you have to swipe left and right to see everyone on the call.

Gallery View

Use these buttons to show a video of you or to talk/mute.

Use this to answer your speakers' questions or to ask your own questions.
