

# The Finch Robots

Get to know the Finch

# The Challenge

Can your Finch reliably knock the ball off the cup?

Lesson [Link](#)

# Computer Programming Connections to Lessons

- How can programming devices enhance or extend learning in your classroom?
- Using your Model Lesson Reflection Sheet from Day 1, go back to each lesson and consider ideas for how to incorporate these devices.
- Discuss with your team and jot your thoughts in the space provided.

# Computer Programming
