CMS Parents,

Under the federal Every Student Succeeds Act (ESSA), the Tennessee Department of Education is required to use school accountability results to identify schools with low performance in a specified student subgroup as Targeted Support and Improvement (TSI).

I am writing to inform you that Community Montessori is identified as a Targeted Support and Improvement (TSI) school in accordance with Every Student Succeeds Act (ESSA) and the US Department of Education based on last year's test results for the 2023-2024 school year for one subgroup of students.

To address this designation, we are working closely with Jackson-Madison County Schools' District office and the Tennessee Department of Education to increase student growth and achievement for all students.

Melinda Harris, Ed.D.
