School Plan for Shared Student Achievement

What is it?
This is a plan that describes how Liberty Tech High School will provide opportunities to improve family engagement to support student learning. Liberty Tech High School values the contributions and involvement of families to establish an equal partnership for the common goal of improving student achievement. This plan describes the different ways that Liberty Tech High School will support family engagement and how families can help plan and participate in activities and events to promote student learning at school and at home.

How is it revised?
Liberty Tech High School invited all families to attend our annual School Forum last spring to review and revise this parent and family engagement policy, the school improvement plan, our school-parent compact, and the family engagement budget. Additionally, family input and comments regarding this plan are welcome during the school year through an online form. The plan is posted on our school website for families to view and submit feedback throughout the year. All feedback received during the year will be used to revise the plan for the next school year. We also distribute an annual survey online and by mail to ask families for their suggestions on the plan and the use of funds for family engagement. Families can also give feedback during several meetings and activities during the school year.

Who is it for?
All students participating in the Title I, Part A program, and their families are encouraged and invited to fully participate in the opportunities described in this plan. Liberty Tech High School will provide full opportunity for the participation of parents and family members with limited English, with disabilities, and of migratory children.

Where is it available?
At the beginning of the year, the plan is included in the student handbook and sent home with all students. As a reminder, we will email the plan to all families in August before the scheduled Open House event. The plan will also be posted on the school website and social media. Families can also retrieve a copy of the plan in the front office of the school.

What is Title I?
Liberty Tech High School is identified as a Title I school as part of the Every Student Succeeds Act (ESSA). Title I is designed to support state and local school reform efforts tied to the challenging state academic standards to improve teaching and learning for students. Title I programs must be based on effective means of improving student achievement and include strategies to support family engagement. All Title I schools must jointly develop with parents and family members a written parent and family engagement policy.

When students, schools, families, and communities come together - we CAN achieve our goals!
Liberty Tech High School believes that family engagement means the participation of parents and family members in regular two-way, and meaningful communication involving student academic learning and other school activities, ensuring that:

- families play an integral role in assisting their child’s learning;
- families are encouraged to be actively involved in their child’s education at school; and
- families are full partners in their child’s education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child.

School-Parent Compacts

As part of this plan, Liberty Tech High School and our families will develop a school-parent compact. A compact is a written agreement that families, teachers, and students jointly develop to explain how everyone will work together to ensure all students reach grade-level standards. The compacts will be reviewed and updated annually based on feedback from families, students, and teachers during various events and the annual School Forum. The school-parent compacts are also displayed in each classroom, shared with families during parent-teacher conferences, posted on our school website (www.jmcss.org/liberty), and extra copies are always available in the front office. If you would like to provide feedback on the compact any time during the year, please contact the school office directly.
Liberty Technology is branching out!

Liberty Tech High School will take the following measures to empower and support families as an important foundation of our school in order to strengthen the school and reach our goals.

We will:

✓ Ensure that all information related to school and family programs, meetings, and other activities is published in English, Spanish, and Arabic and posted on the school website.

✓ Provide trainings for staff during their planning periods on strategies to improve communication with families and ideas to increase family engagement in reading and math for our students outside of the classroom. Staff will also share promising practices in family engagement during regularly scheduled faculty meetings.

✓ Partner with early childhood programs, middle schools, college- and career-ready resources or organizations, parent resource centers, or other programs (as applicable) to help prepare parents and their children for successful transitioning.

✓ Share information in English, Spanish, and Arabic on the school website for families to understand the school's academic standards and assessments as well as the ways families can monitor their child's progress and work with educators.

✓ Communicate with all families and the community on a regular basis regarding schoolwide events and activities, through phone messages, our website, social media, and flyers.

✓ Work with our families to develop relevant trainings and helpful presentations to educate our staff on the importance of parent and family engagement and how to support student learning.

✓ Provide necessary materials and handouts for parents at conferences, meetings, and activities to help parents work with their child to improve their child's achievement.

✓ Use our Partners in Education and School Community Team to improve awareness of the activities and events listed in the school parent and family engagement policy.

✓ Offer planning & parental resources for parents and family members to help further enhance their students' various educational levels at https://www.jmcss.org/Page/1888.

✓ Collect feedback from parents and family members at all events in order to respond to parents’ requests for additional support for parent and family engagement activities.
Let’s get together!

Liberty Tech High School will host the following events to build the capacity for strong family engagement and support a partnership among the school, families, and the community to improve student academic achievement. Most meetings for parents and family members will be held twice during the day - in the morning before school and in the evening at 6:00 p.m. See the entire listing of events on our website: www.jmcss.org/liberty.

Parent Teacher Conference - Sept 12th 12:00pm - 6:00pm

Senior Parent Meeting - Sept 12th 6:00pm

FAFSA Frenzy - October 26th- 10:00am-2pm

For additional events be sure to check our website regularly.

Parent and Family Engagement Standards

Liberty Tech High School and our families have adopted the National PTA Standards for Family-School Partnerships as the school’s model in engaging parents, students, and the community.

1. Welcoming All Families
2. Communicating Effectively
3. Supporting Student Success
4. Speaking Up for Every Child
5. Sharing Power
6. Collaborating with Community
