Dear Parent or Guardian,

Under the federal Every Student Succeeds Act (ESSA), the Tennessee Department of Education is required to use school accountability results to identify schools in need of additional support in specific areas from the Tennessee Department of Education.

I am writing to inform you that Northeast Middle School is identified as a Targeted Support and Improvement (TSI) school in accordance with Every Student Succeeds Act (ESSA) and the US Department of Education for the 2023-2034 school year. This designation for NMS targets the achievement gap within an identifiable subgroup. NMS will receive additional support from the department.

To address this designation, we are working closely with the Jackson-Madison County Schools' District office and the Tennessee Department of Education to increase student growth and achievement within the identified subgroup.

Jaguar families, NMS is continually striving for increased achievement and growth for all students. We ask for your continued support by encouraging students to be at school daily, read every day, and give their best efforts.

Respectfully,
