

What is a Family-School Compact?

A *School-Parent Compact for Achievement* is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all students reach grade-level standards.

Effective compacts:

- Focus on student learning skills
- Link to goals of the school improvement plan
- Describe how teachers will help students develop those skills using high-quality instruction
- Share strategies parents can use at home
- Explain how teachers and parents will communicate about student progress
- Describe opportunities for parents to volunteer

Jointly Developed

The parents, students, and staff of JCT Middle School developed this School-Parent Compact for Achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Meetings are held each year to review the compact and make changes based on student needs.

- **Parents are welcome to contribute comments at any time.**
- **If you would like to *volunteer, participate, and/or observe* in the classroom, please contact:** the school office at 731.427.4581

Activities to Build Partnerships

Opportunities to volunteer and participate in your child's school:

- Read to a class.
- Volunteer by copying and/or helping the classroom teacher.
- Join the PTO (Parent Teacher Organization)
- Serve as a member of our Title I Site-based Committee
- Share your time and talents.
- Observe in your child's class for 30 minutes. See school office for guidelines.
- Chaperone on school field trips.
- Volunteer at the school library or other needed areas of the building.

Parents-Right-to-Know

A parent has the right to request certain information about their child's teacher including:

- Whether the teacher has met state qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;
- Whether the teacher is teaching under emergency or other provisional status through which state qualification or licensing criteria have been waived;
- The baccalaureate degree major of the teacher and any other graduate certification or degree held by the teacher, and the field of discipline of the certification or degree; and
- Whether the child is provided services by paraprofessionals and, if so, their qualifications.

Our Goals for Student Achievement

District Goals

JMCSS Vision and Mission:

Vision: That all graduates will be effective problem solvers and have acquired the knowledge and skills to be life-long learners and productive citizens.

Mission: To prepare tomorrow's leaders by providing a safe, caring learning environment, working in cooperation with families and the community and providing appropriate curriculum and effective instruction.

School Goals

School administrators and teachers have studied our student performance data to decide on the most important areas of improvement for our school.

- To continue to hold high expectations for all students.
- To encourage our students to reach their highest potential and to become life-long learners.
- Implement balanced literacy grades 4-8.
- Increase all students reading and math proficiency levels.

Teachers, Parents, Students – Together for Success

In The Classroom

JCT Middle School will work with students and their families to develop students' literacy and mathematical understanding. Some of our key connections with families will include the following:

- School website provides important individual classroom information.
- Assessment of students on a regular basis and adjustment of instruction to meet student needs.
- Communication with students and parents on a regular basis by receiving weekly graded papers.
- Scheduled Observations: Parents are invited to see how students learn and the infusion of technology.

At Home

School parents and staff have developed ideas about how families can support students' literacy and mathematical understanding. Families may have other suggestions to add to the list.

- Participate in Parent-Teacher conferences twice a year or communicate with classroom teachers if unable to attend.
- Review the Student Handbook/Agenda for important school and district information and policies.
- Review homework and grades using the district's PowerSchool website. www.jmcass.org
- Read 20 minutes a night with their child.
- Create a vocabulary wall on the refrigerator.
- Help with math facts nightly.
- Engaged their child in meaningful academic conversation

Students

Students at school will share the responsibility to improve academic achievement and meet the state's high academic standards. Specifically, the students will:

- Attend school regularly prepared to work with completed homework assignments.
- Discuss with parent/guardian what is being learned in school.
- Show positive attitude about learning by respecting parents, teachers, and others.
