

North Side High School

2022-2023 Parent and Family Engagement Policy for Shared Student Success

Plan Revised May 10, 2022

School Plan for Shared Student Achievement

What is it?

This is a plan that describes how North Side High School will provide opportunities to improve family engagement to support student learning. North Side High values the contributions and involvement of families to establish an equal partnership for the common goal of improving student achievement. This plan describes the different ways that North Side High will support family engagement and how families can help plan and participate in activities and events to promote student learning at school and at home.

How is it revised?

North Side High invited all families to attend our annual School Forum last spring to review and revise this parent and family engagement policy, the school improvement plan, our school-parent compact, and the family engagement budget. Additionally, family input and comments regarding this plan are welcome during the school year through an online form. The plan is posted on our school website for families to view and submit feedback throughout the year. All feedback received during the year will be used to revise the plan for the next school year. We also distribute an annual survey online and by mail to ask families for their suggestions on the plan and the use of funds for family engagement. Families can also give feedback during several meetings and activities during the school year.

Who is it for?

All students participating in the Title I, Part A program, and their families are encouraged and invited to fully participate in the opportunities described in this plan. North Side High School will provide full opportunity for the participation of parents and family members with limited English, with disabilities, and of migratory children.

Where is it available?

At the beginning of the year, the plan is included in the student handbook and sent home with all students. As a reminder, we will email the plan to all families in August. The plan will also be posted on the school website and social media. Families can also retrieve a copy of the plan in the front office of the school.

What is Title I?

NSHS is identified as a Title I school as part of Every Student Succeeds Act (ESSA). Title I is designed to support state and local school reform efforts tied to the challenging state academic standards to improve teaching and learning for students. Title I programs must be based on effective means of improving student achievement and include strategies to support family engagement. All Title I schools must jointly develop with parents and family members a written parent and family engagement policy.

When students, schools, families, and communities come together - we can achieve our goals!

2022-2023 North Side High School Goals

In 2020-2021, increase proficiency on TNReady by 8 percent in reading and math.

Raise School-wide ACT Composite to 18.

Drop number of Chronically Absent students by 10%

Maintain growth in all subjects.

Parent and Family Engagement

NSHS believes that family engagement means the participation of parents and family members in regular two-way, and meaningful communication involving student academic learning and other school activities, ensuring that:

- families play an integral role in assisting their child's learning;
- families are encouraged to be actively involved in their child's education at school; and
- families are full partners in their child's education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child.

School-Parent Compacts

As part of this plan, NSHS and our families will develop a school-parent compact. A compact is a written agreement that families, teachers, and students jointly develop to explain how everyone will work together to ensure all students reach grade-level standards. The compacts will be reviewed and updated annually based on feedback from families, students, and teachers during various events and the annual School Forum. The school-parent compacts are also displayed in each classroom, shared with families during parent-teacher conferences, posted on our school website <https://www.jmcass.org/northside>, and extra copies are always available in the front office. If you would like to provide feedback on the compact any time during the year, please contact the school at 731-6683171.
