DISMISSALS and CHECK-OUT PROCEDURES

Parents are urged to allow their student to remain in school for the entire day. Appointments should be scheduled after school hours and on school holidays whenever possible. However, if a student has a scheduled appointment during the school day, parents are to send a written excuse and/or obtain a doctor's statement.

Classes are dismissed at an assigned time each day. Car riders are dismissed from a designated area on the West end of the building closest the cafeteria. Every effort should be made to pick up students at dismissal if they are car riders. Students who ride the school bus will be dismissed to their bus at the end of the instructional time in the classroom.

It is important to discuss with students, before they leave home, where they are to go after school. Since it is difficult to identify parents over the phone, the school will, in extreme cases only, allow a student to change procedures for going home based on a phone call. When a student is to be transported in a different manner or if someone other than a parent/guardian is to pick up a student from school, a written notice explaining any changes must be sent to school with a contact phone number.

Dismissal time is a very busy time of day for teachers and office staff. Please do not request dismissal of your child during the last 45 minutes of the school day.

Parents/Guardians wishing to pick their child up early must come to the office and sign them out at the front counter. Anyone other than a parent/guardian needing to sign a student out must have written permission from the parent/guardian and a phone number to verify this pick up. All persons signing a student out will be asked for picture identification – NO EXCEPTIONS. No child will be allowed to leave the school without this important information being presented. Thank you for your cooperation. **STUDENTS CANNOT BE CHECKED OUT BETWEEN 1:30 – 2:15** unless there is an emergency.

VISITORS

All visitors to West Bemis Middle School are required to report to the school office upon entering the building. Visitors must follow each school's procedure by signing in and receiving a visitor's pass for identification to be worn at all times inside the building. Parents are welcome and are encouraged to visit our schools. Students are not permitted to have school-aged visitors at school.

PARENT INVOLVEMENT and CONFERENCES

Parents, the Jackson-Madison County School System believes that an active partnership between the school, the home, and the student is essential for student success. We welcome and encourage family involvement at all levels of your child's education. Volunteers are needed to participate on committees, assist with school functions and projects, chaperone field trips and help with various booster clubs. We welcome you in our schools, and we ask that you follow the school's safety procedures for the sign-in process upon arrival in any of our campuses.

Your student will receive a report card four times each year and a progress report at 4 ½ week intervals. Our teachers, principals, and counselors are always ready to discuss your student's progress. We also ask that you call to schedule an appointment so that the teacher may adequately prepare to discuss your child's work with you. Please make every effort to schedule conferences during a teacher's planning period. You may also contact your child's teacher by phone, letter or e-mail. All faculty e-mail addresses are located on the JMCSS website. Parents are encouraged to sit-in on classes, but we ask for 24 hour notice.

Conferences with an administrator may be scheduled between 8:00 a.m. – 1:30 p.m. Please respect our needs to start and end the day efficiently.

STUDENT SCHEDULE

All Jackson-Madison County Middle Schools will be "Departmentalized" for the 2015-2016 school year. Each student will have seven periods per day. Fine Arts/Exploratory classes include Art, Chorus, Keyboard, Band, Computer and Physical Education.

ABSENCES

Regular attendance at school is imperative for your child's success. Each time students are absent from school, they are missing very important academic time in the classroom. It is important that students attend school daily. Absences are classified as either excused or unexcused as determined by the principal or his/her designee. Each time a student is absent, the parent or guardian must send a note explaining the reason for the absence. According to school board policy, excused absences are granted for personal illness, illness of immediate family members or death of a family member, extreme weather conditions, religious observances, or circumstances, in the judgment of the principal, which create an emergency over which the student had no control. Students will be allowed two (2) discretionary days, (elementary or middle school students) per year when prior arrangements have been made with the principal. A one-day excused absence is provided for students when their parent or custodian is deployed into active military service. A one day excused absence is also provided for students when the parent or custodian returns from active military service. Students will be permitted to make up school work missed during the excused absences.

GRADING SYSTEM AND PROMOTION

Our primary goal for your child is that he/she becomes the best student possible. Teachers, principals and former students take pride in our tradition of academic excellence. Check with your child's school to inquire about the curricula, honors classes, fine arts program, middle school exploratory classes, physical education, gifted and enrichment programs, tutoring, services for students with special needs, and any other services that you may need or desire for your child.

Numerical value of letter grades for core subjects is as follows:

A.....	93-100
B.....	85-92
C.....	75-84
D.....	70-74
F.....	Below 70

A numerical grade of seventy (70) is required for passing in the core subject areas of language arts/reading, mathematics, science and social studies. A student passes or fails on a yearly basis.

All Middle School students **must** pass 3 of the 4 core subjects in order to be promoted to the next grade. A numerical grade will be assigned to Fine Arts/Exploratory classes, but these subjects are not included in the academic core.

Conduct will not be used as a basis to determine a student's grade. Cheating is a serious compromise of a student's integrity and will not be allowed.

STUDENT RECOGNITION

To be awarded at the end of the school year:

- Principal's Award
- Outstanding Student in each subject area
- Attendance Awards
- Honor Roll Awards
- Athletic Awards for each sport

On-going Awards:

- Student of the Month
- Principal's List/Honor Roll

ACTIVITIES

A very important part of the development of young people comes from their participation in activities other than academic classes. We encourage students of West Bemis Middle to take advantage of the social experiences available in the wide variety of interests represented in the activities and athletics of our school:

Activities:

Art Club, Band, Drama/Chorus Club

Athletics:

Cheerleading,	Cross Country,	Boys Soccer
Football,	Boys Basketball,	Boys Track
Girls Softball,	Girls Basketball,	Girls Track
Girls Soccer,	Girls Volleyball,	Tennis

No school shall permit a student to become a member or participate in any activities of a club or organization if the parent or legal guardian of such student has tendered a written communication prohibiting such student from such membership or participation. In order to be valid, the written communication shall be signed and dated by the parent or legal guardian.

Art Club – Our mission is to provide every student with the opportunity to further their visual art skills outside of the regular classroom setting. Students will try-out for Art Club in August and in January. There is no fee for Art Club. The materials are provided that students need to participate. Art Club meets weekly.

Band – The West Bemis Band brings together students who share a passion for performing arts. The club promotes learning about music mainly through concerts, but also through other band activities. It also strives to foster appreciation of all forms of the performing arts.

Fees/Costs: The West Bemis Band is a self-sustained club. The only cost to participate in Band is the purchase of an instrument.

Cheer – The mission of the WBMS Cheer squad is to encourage school spirit. The purpose of the WBMS Cheer squad is to uplift self-esteem while empowering students to become strong community leaders. The cost of participation varies on the uniform and equipment costs.

Sports – The purpose of the sports program at WBMS is to provide a positive athletic experience for all student athletes, coaches, parents, and fans. WBMS athletic programs aim to instill in our student athletes that their participation in these extra-curricular teams is a privilege, not a right. With this understanding, we strive to develop a high level of competition without losing sight of educational values, such as sportsmanship, dedication, hard work, determination, commitment, team-work, scholastic achievement, and a strong sense of respect for self and others. Athletes who are not passing all academic classes may not participate in extracurricular activities.

CARE OF SCHOOL PROPERTY

Students should not mark school furniture, walls, ceilings, floors or equipment with pen, pencil, paint or any other instrument. They are not to tamper with fire alarms, fire extinguishers, or any electrical systems. Anyone who willfully destroys school property through vandalism, arson, or larceny, or who creates a hazard to the safety of our students, will be referred to the proper law enforcement agency.

CARE OF TEXTBOOKS

Textbooks are provided to students by the state; therefore, students are responsible for loss or damage regardless of circumstances. If textbooks are lost or misplaced, they must be paid for before a new book will be issued. If the original book is found, the money will be refunded.

TELEPHONE USAGE

The telephones at West Bemis Middle School are business phones and are used for emergencies only. Students without a pass issued by their teacher will not be allowed to use the phone. Materials, band instruments, homework, gym clothes, and textbooks are not considered emergencies.

Only in urgent situations should a student be called at school. Messages will be given to a student only if they are from a parent or guardian. Students will not be called out of class except in emergency situations.

CELL PHONES ARE NOT PERMITTED TO BE USED DURING THE SCHOOL DAY IN JACKSON-MADISON COUNTY SCHOOLS. Students caught using a cell phone, even to call a parent, will be disciplined accordingly and the phone will be confiscated. **Parents, please do not call or text your child during school hours.** This causes classroom disruptions and will result in your child breaking school policy, thus facing a consequence.

CELL PHONES AND OTHER ELECTRONIC DEVICES

Jackson-Madison County Board Policy 6.312 states that “students who possess an electronic device, such as a cell phone, cannot display the phone or turn it on during the school day. If an electronic device is seen, it is considered operational (in-use), and will be confiscated.” Violating this policy may result in further disciplinary consequences at the discretion of the administrator. A parent or guardian will need to reclaim the phone from the principal’s office. **School employees are not responsible for recovering lost or stolen electronic devices:** cell phones, iPods, PSP’s, etc.

MEDICATIONS

West Bemis Middle School follows the Jackson-Madison County School *Board Policy 6.405* (in the back of this handbook) for administering medications.

If a student must have **prescription medication** at school, the parent/guardian should follow these guidelines:

- An authorization form must be **fully completed** and signed by the parent/guardian for each medication given.
- The parent/guardian must bring medication to school in the original container; one medication per bottle.
- The prescription bottle must include the pharmacy label.

If a student must have **non-prescription medication** at school, the parent/guardian should follow these guidelines:

- The parent/guardian must bring non-prescription medication to school in an **unopened, original container** accompanied by a fully completed authorization form.
- The medication will only be given for a 2 week period. After the 2 week period, the parent/guardian must pick-up remaining medication or it will be disposed of.
- If a student requires non-prescription medication longer than a 2 week period; a physician’s statement will be required including the student’s name, the non-prescription medication’s name and why needed.

It is the responsibility of the parents to inform school officials of the existence of severe or chronic medical problems which students might have, even though this information might be included in a student’s records.

It is also the responsibility of parents to provide school officials with a physician certified plan of care for students who may require special treatment or care while at school.

Communication of medical problems and questions about care of students at school should be directed to the school nurse or the guidance counselor.

FOOD/DRINKS/GUM

No GUM is allowed at West Bemis Middle School.

Students may not take food or drinks into their classrooms at any time.

Drinks brought for lunch must be nutritional. No “energy drinks” may be brought to school.

Parents are not allowed to bring fast-food items to students at school.

CAFETERIA RULES

The same general rules for behavior apply in the cafeteria as in the classroom. Students are expected to contribute to a pleasant eating atmosphere in the cafeteria. Violating cafeteria rules by talking loudly, throwing food, leaving lunch trays or taking food out of the cafeteria without permission may result in the student being suspended from the cafeteria.

- Students will follow all directions given to them by the cafeteria monitor.
- Students are to remain quiet in the lunch line and keep their hands to themselves.
- Students are not allowed to save places in line or at the table.
- Students **MUST** sit with their class.
- Students may leave their table only if they have been dismissed by the lunch monitor.
- Students must leave their lunch tables clean, free of any food or trash.
- Students caught throwing food will face automatic suspension.

BREAKFAST and LUNCH

Breakfast is served in the classroom (homeroom) to all students free of charge. Every student will receive lunch at no charge this year. You can purchase additional items at the prices that can be found on the Jackson Madison County Schools Website.

EMERGENCY PROCEDURES

FIRE DRILLS AND TORNADO DRILLS: Fire drills and tornado drills are required by Tennessee Law as an important safety precaution. The teacher in each classroom will be given directions in accordance with Tennessee State Law. As directed, it is essential that everyone move promptly and follow directions as given.

LOCK DOWNS: West Bemis Middle School, in collaboration with the Jackson Police Department and the Madison County Sheriff's Department, has developed a Critical Response Plan. Lock-downs will be handled in accordance with the critical response plan. Each teacher will be trained to handle all situations found in this plan.

CANCELLATION/DELAYED OPENING OF SCHOOL

Cancellation of school, the delayed opening or early dismissal of school will occur at the direction of the Superintendent unless life threatening emergencies occur. Tune to local radio and television stations for information on altered schedules. Depending on the timeliness of the delay, cancellation or release, the student 'all-call' messaging system will be used to notify parents and/or legal guardians.

MISCELLANEOUS

Under the State Board of Education's Unsafe School Choice Policy, a public school student who is the victim of a violent crime or the victim of an attempted violent crime shall be provided an opportunity to transfer to another grade-level appropriate school within the district.

In accordance with federal law, the district shall release information regarding the professional qualifications and degrees of teachers and the qualifications of paraprofessionals to parents upon request for any teacher or paraprofessional who is employed by a school receiving Title I funds and who provides instruction to their child at that school.

BUS CONDUCT

Riding the bus is a privilege. The privilege may be removed if infractions are serious and/or repetitive. The school bus is viewed as an extension of the classroom. Failure to observe school bus rules will result in disciplinary action and suspension from the bus. Of the utmost concern is the safety of the students and the driver. A list of bus rules are provided at the beginning of the school year and are listed in this handbook. Extra copies are available upon request. It is the responsibility of the parents/guardians to review these rules with their children. Students should board the bus in an orderly fashion, sit down and remain seated until the bus has come to a stop and it is time to exit.

School Bus Rules and Regulations

1. To ensure safety, the driver must be totally in charge. Students must respond promptly to instructions given.
2. If students have to walk along a road to a bus stop, they should do so on the left side of the road facing the traffic. They should walk as far away from the lane of traffic as is practical in a single file line.
3. Do not run to or from the bus. Students could fall and become injured.
4. While waiting for the bus, stand 10 feet back from the road and stand in a single file line to get on the bus. Don't play, push, or shove while waiting on the bus.
5. Regular schedules must be observed. The bus cannot wait for tardy students. Students must be at the bus stop when the bus arrives. The driver may leave the bus stop if the student is not there at the proper time.
6. Don't litter while waiting on the bus. Stay out of other's yards. Stand still at the bus stop until the bus comes to a complete stop.
7. If students have to cross the road, they must do so under the driver's direction. Go directly to your seat after getting on the bus. Be sure to use the handrail. Face the front and keep legs, books and other objects, out of the aisle. Animals and oversize objects are prohibited.
8. **KEEP THE BUS CLEAN. FOOD AND DRINK ARE PROHIBITED ON THE BUS.** The use of tobacco and alcohol is prohibited on the bus.
9. The driver may assign seats.
10. "No Spray Zone" – No perfume, cologne and/or lotions may be opened, sprayed, or applied while on the bus.
11. Do not put any part of your body out of the window and do not throw anything out of the window.

12. If a student damages a bus, payment will be made for the damages before the student is allowed to ride again.
13. Students must observe the same rules of conduct as they do in the classroom. Ordinary conversation is permitted. Horseplay and unruly behavior, abusive and obscene language or gestures are unacceptable.
14. When leaving the bus, do so under the driver's direction. Wait until the bus comes to a complete stop before getting up to leave. Use the handrail and move quickly (but don't run) away from the bus. No student will be delivered to a business.
15. Stay clear of the bus, do so under the driver's direction. If students have to cross the road, they must move out 10 feet in front of the bus before crossing. Watch for the driver's signal and cross when the way is clear. Never cross the road behind the bus.
16. Do no delay the bus by going to check the mailbox or visit a friend, etc. Cross the road as soon as the way is clear and the driver has given the O.K.
17. Drivers will not unload passengers at a place other than the regular stop unless the student shows the proper authorization. Proper authorization consists of a note with a request signed by a parent, given to the Principal, and a paper copy of a New Rider Authorization Form properly handed to the bus driver in order for the student to ride. Verbal authorization in this matter will not be accepted.
18. A student desiring to ride a bus other than his/her assigned bus must have the same authorization as in rule #17.
19. No hoods or caps allowed to be worn over the head on the bus. The bus driver is not responsible for student's personal property.
20. Students using the emergency door to exit the bus in a non-emergency situation will be subject to a discipline referral to the Principal.

Failure to observe these regulations may result in disciplinary action and possible suspension from the bus. Parents are responsible for their children before the children get on the bus and after they get off the bus. **SCHOOL BUS TRANSPORTATION IS A PRIVILEGE – NOT A RIGHT.**

CONSEQUENCES FOR VIOLATING THE CODE OF CONDUCT

DISCIPLINE REFERRAL

Students who do not follow the school rules outlined in the Code of Student Conduct may be issued a discipline referral which will be processed by a school administrator. Parent contact will be made and a consequence will be enforced. The discipline referral is then placed in the child's permanent school record.

ISS (IN-SCHOOL SUSPENSION)

When a student violates a rule/s of the Code of Conduct the consequence may be ISS. In-School Suspension requires the student to report to one designated teacher for the entire day. The student will complete course work from his/her teachers, as well as a packet of TCAP practice material. ISS rules are strictly enforced. Students that cannot abide by ISS rules may be subject to Out-of-School Suspension.

OSS (OUT-OF-SCHOOL SUSPENSION)

When a student violates school board policy, he/she may be assigned OSS. Parent/guardian is responsible for picking the student up from school at the time of suspension and for keeping the OSS student home for the duration specified by the school administrator.

ALTERNATIVE SCHOOL

Students that refuse to abide by the rules and regulations imposed by the school board, and West Bemis Middle School, may be referred to the Parkview Learning Center by school administration. This school provides an alternative educational setting for those struggling to meet positive behavior guidelines. Students referred to PLC will be withdrawn from their zoned school and will no longer be allowed to participate in extra-curricular activities: sports, dance, band, etc.

School Board Policies

Dress Code (School Board Policy 6.310)

Jackson-Madison County School System schools must be environments in which work can be accomplished by adults and students. All requirements except the one for skirts apply equally to boys and girls. Principals are allowed, with Director's authorization, to designate discretionary days (i.e., picture day, homecoming week, etc.)

Attendance (School Board Policy 6.200)

Attendance is a key factor in student achievement and therefore, students are expected to be present each day that school is in session.

The attendance supervisor shall oversee the entire attendance program, which shall include:

1. All accounting and reporting procedures and their dissemination;
2. Ensuring that all school age children attend school;
3. Alternative program for students who severely fail to meet minimum attendance requirements;
4. Providing documentation of enrollment status upon request for students applying for new or reinstatement of driver's permit or license; and
5. Notifying the Department of Safety whenever a student with a driver's permit or license drops out of school or withdraws.

Absences shall be classified as either excused or unexcused as determined by the principal or his/her designee. Excused absences shall include:

1. Personal illness;
2. Illness of immediate family member;
3. Death in the family;
4. Extreme weather conditions;
5. Religious observances;
6. Circumstances which in the judgment of the principal create emergencies over which the student has no control;
7. Parents of elementary, intermediate or middle school students will be allowed two (2) discretionary days per year; or
8. A one-day absence is provided for students when their parent or custodian is deployed into active military service. A one-day excused absence is also provided for students when the parent or custodian returns from active military service. Students shall be permitted to make up schoolwork missed during the excused absences

9. Up to ten (10) excused cumulative absences per year for students to visit a parent or guardian during a deployment cycle. The student shall provide documentation to the school as proof of his/her parent's/guardian's deployment. Students shall be allowed to make up schoolwork missed during these absences; or
10. Summons, subpoena, or court order.

The principal shall be responsible for ensuring that:

1. Attendance is checked and reported daily for each class;
2. Daily absentee sheets contain sign in/sign out sheets and indicate students present or absent for the majority of the day;
3. All absences are verified;
4. Written excuses from a parent or legal guardian are submitted for absences and tardiness;
5. The principal may require verification from an official or other source to justify excessive absences;
6. After each separate accumulation of five (5) unexcused absences, notification will be sent to parents/guardians. After ten (10) unexcused absences and every five (5) unexcused absences thereafter, notification will be sent to parents/guardians and legal authorities (juvenile judge, district attorney general, sheriff, and police chief);
7. Initiate meaningful communication with the student and parent(s)/guardian(s) in order to determine the underlying cause(s) of the unexcused absences. The principal/designee shall then develop an attendance plan and coordinate additional services designed to improve the student's attendance.
8. Upon notification that a student has been absent ten (10) days without adequate excuse, the principal/designee shall attempt to meet in person with the student and parent(s)/guardian(s) to determine the appropriate service needed to improve the student attendance. The principal/designee shall document all communication attempts and refine the attendance plan as needed.
9. Students who are withdrawn from school are tracked and coded correctly; and
10. System-wide procedures for accounting and reporting are followed.

Truancy is defined as an unauthorized absence for an entire school day, a major portion of the school day or the major portion of any class, study hall or activity during the school day for which the student is scheduled.

If a student is required to participate in a remedial instruction program outside of the regular school day where there is no cost to the parent(s) and the school system provides transportation, unexcused absences from these programs shall be reported in the same manner.

The Board shall determine annually and include in the school calendar a plan for using the three (3) abbreviated school days and the procedures for making up missed instructional days. In addition, the Board shall determine annually whether to use flexible scheduling for kindergarten students.

Students participating in school-sponsored activities whether on- or off-campus shall not be counted absent. In order to qualify as "school-sponsored", the activity must be school-planned, school-directed, and teacher supervised. Mass exodus or early dismissal or late arrival of all students or any segment of students shall not be permitted for any reason except for emergencies such as inclement weather or other unavoidable situations, unless instruction time is made up in full.

Student attendance records shall be given the same level of confidentiality as other student records. Only authorized school officials with legitimate educational purposes may have access to student information without the consent of the student or parent/guardian.

ATTENDANCE POLICY SPECIFIC TO THE STATE DEPARTMENT OF SAFETY

Students under eighteen (18) years of age, who lack a diploma or certificate of graduation from high school, must be enrolled in school and making satisfactory progress in order to obtain or retain a driver's permit or license. For the purposes of this section only, satisfactory progress is defined as having no more than ten (10) consecutive or fifteen (15) total unexcused absences in a semester and passing at least two (2) full units per semester (3 courses in middle grades).

1. Upon request, the school will provide a qualifying student with Proof of Attendance/Progress, to be presented to the Tennessee Department of Safety in obtaining a driver's license or permit.
2. Each semester the school will identify any student with more than ten (10) consecutive or fifteen (15) total unexcused absences. The school will provide notice to the parents of the student, to the Attendance Supervisor and to the Tennessee Department of Safety.
3. The school's Attendance Review Board may determine if extenuating circumstances exist beyond the control of the student, verifying that a student has met attendance requirements that will allow him/her to retain or obtain a driver's license or permit. For the purposes of a driver's license or permit eligibility, suspension from school, expulsion or incarceration is not a circumstance beyond the control of the student.

In order to qualify for reclaiming a suspended driver's license or permit, a student must pass at least two (2) courses or the equivalent (3 courses in middle grades) at the conclusion of a grading period.

GRADES K-8

1. Attendance records as they relate to skills mastery may be used in determining the awarding of grades or the passing of a course or promotion and retention.
2. All missed assignments or tests (whether from excused or unexcused absences) may be made up. The teacher is responsible for providing all missed assignments. The student or parent/ guardian may make the request for make-up work during the period of absence, or on the day the student returns to school. A teacher's instructional time may not be interrupted by these requests; however, information regarding make-up work will be provided within two (2) days. The student will have a minimum of two (2) days per day absent to complete the make-up work.
3. Each school will establish an Attendance Review Team for intervention purposes. This team will consist of the principal (or designee), counselor, and a minimum of one teacher. This team will review a student's attendance record after a maximum of ten (10) absences and/or tardies and discuss intervention strategies to reduce absenteeism. When appropriate, the team will refer parents to community resources to assist in alleviating problems creating truancy.
4. Any administrative decision regarding attendance may be appealed to the director of schools and ultimately to the Board. The appeal may be made in writing to the director of schools within five (5) school days following the action or the report of the action, whichever is later.

GRADES 9-12 (See Board Policy 6.200)

ATTENDANCE HEARING

Students with excessive (more than 5) unexcused absences or those in danger of credit/promotion denial shall have the opportunity to appeal to an attendance hearing committee appointed by the principal. If the student chooses to appeal, the student, or their parent/guardian shall be provided with written or actual notice of the appeal hearing and shall be given the opportunity to address the committee. The committee will conduct a hearing to determine if any extenuating circumstances exist or to determine if the student has met attendance requirements that will allow him/her to pass the course or be promoted. Upon notification of the attendance committee decision, the principal shall send written notification to the director of schools/designee and the parent(s)/guardian(s) of the student of any action taken regarding the excessive unexcused absences. The notification shall advise parent(s)/guardian(s) of their right to appeal such action within two (2) school days to the director of schools/designee.

The appeal shall be heard no later than ten (10) school days after the request for appeal has been received.

Within five (5) school days of the director of schools/designee rendering a decision, the student's parent(s)/guardian(s) may request a hearing by the Board, and the Board shall review the record. Following the review, the Board may affirm or overturn the decision of the director of schools/designee. The action of the Board is final.

The director of schools/designee shall ensure that this policy is posted in each school building and disseminated to all students, parents, teachers, and administrative staff.

Student Records Annual Notification of Rights (School Board Policy 6.601)

Within the first three weeks of each school year, the school system will notify parent(s) of students and eligible students* of each student's privacy rights. For students enrolling after the above period, this information will be given to the student's parent(s) of the eligible student at the time of enrollment. The notice will include the right of the student's parent(s) or the eligible student to:

1. Inspect and review the student's education records;
2. Seek correction of items in the record which are believed to be inaccurate, misleading or in violation of the student's rights, including the right to a hearing upon request;
3. File a complaint with the appropriate state or federal officials when the school system violates laws and regulations relative to student records;
4. Obtain a copy of this policy and a copy of such educational records;
5. Exercise control over other people's access to the records, except when prior written consent is given, or under circumstances as provided by law or regulations, or where the school system has designated certain information as "directory information." Parent(s) of students or eligible students have two weeks after notification to advise the school system in writing of items they designate not to be used as directory information. The records custodian will mark the appropriate student records for which directory information. The records custodian will mark the appropriate student records for which directory information is to be limited, and this designation will remain in effect until it is modified by the written direction of the student's parent(s) or the eligible student.

DIRECTORY INFORMATION

“Directory Information” means information contained in an education record of a student which would not generally be considered harmful or an invasion of privacy if disclosed. It includes, but is not limited to the student’s name, address, telephone listing, electronic mail address, photograph, dated and place of birth, major field of study, dates of attendance, grade level, enrollment status (e.g., undergraduate or graduate; full-time or part-time), participation in officially recognized activities and sports, weight and height of members of athletic teams, degrees, honors and awards received, and the most recent educational agency or institution attended.

Student directory information for 11th and 12th graders shall be made available upon request to person or groups which make students aware of occupational and educational options, including official recruiting representative of the military forces of the State and the United States.

*The student becomes an “eligible student” when he/she reaches age 18 or enrolls in a post-secondary school, at which time all of the above rights become the student’s rights.

Care of School Property (School Board Policy 6.311)

Students shall help maintain the school environment, preserve school property and exercise care while using school facilities.

All district employees shall report all damage or loss of school property to the principal or designee immediately after such damage or loss is discovered. The principal or designee shall make a full and complete investigation of any instance of damage or loss of school property. The investigation shall be carried out in cooperation with law enforcement officials when appropriate.

School property is defined as buildings, buses, books, equipment, records, instructional materials or any other item under the jurisdiction of the Board.

When the person causing damage or loss has been identified and the costs of repair or replacement have been determined, the director of schools shall take steps to recover these costs. This may include recommending the filing of a civil complaint in court to recover damages. If the responsible person is a minor, recovery will be sought from the minor’s parent or guardian.

In addition, the district may withhold the grades, diploma, and/or transcript of the student responsible for vandalism or theft or otherwise incurring any debt to a school until the student or the student’s parent/guardian has paid for the damages.1 When the minor and parent are unable to pay for the damages, the district shall provide a program of voluntary work for the minor. Upon completion of the work, the student’s grades, diploma, and/or transcripts shall be released. Such sanctions shall not be imposed if the student is not at fault.

Textbook Selection, Distribution and Care (School Board Policy 4.401)

SELECTION

The selection of textbooks shall be completed according to the laws and policies required by the State of Tennessee and the State Textbook Commission. The materials clerk shall be designated by the Board to be responsible for the purchase and distribution of textbooks in each school. The principal shall be responsible for seeing that each student receives the required textbooks at no cost to the student.

CARE OF TEXTBOOKS

Textbooks are property of the Board and shall be returned at the end of the school year, upon completion of the course or upon withdrawal from a course or school. Parents are to sign an agreement stating they will be responsible for the textbooks received and used by their children.

Age of Book

1 - 2 years
3 - 4 years
5 or more years

Amount Collected

100% of replacement cost
75% of replacement cost
50% of replacement cost

The Board shall approve and periodically review a schedule of fines for damaged books. In cases where the book is damaged to the extent it is no longer useable, the amount collected shall conform to the reimbursement schedule for lost books.

If, after hearing the student's explanation and other investigation as necessary, the principal determines that there has been willful loss or damage of the textbook, he/she shall assess the appropriate fine and notify the parents in writing.

The principal may include with the notice a provision stating that failure to pay the fine imposed within a reasonable time may result in the imposition of one or both of the following sanctions:

1. Refusal to issue any additional textbooks until restitution is made; and
2. Withholding of all grade cards, diplomas, certificates of progress, or transcripts until restitution is made.

The principal may waive the assessment of fines when in his/her judgment the student is the victim of uncontrollable circumstances and not responsible for the damages.

The grades, grade cards, diploma or transcript of a student who is responsible for vandalism or theft or who has otherwise incurred a debt to a school may be held until the student or the student's parent/guardian has paid for the damages. When the student and parent are unable to pay the debt, the district shall provide a program of voluntary work for the minor. Upon completion of the work, the student's grades, diploma, and/or transcripts shall be released. Such sanctions shall not be imposed if the student is not at fault.

Failure to remit the cost of replacing or repairing such materials or to make satisfactory arrangements with the administration for payment may result in suspension of the student. If payment is not remitted, the matter will be referred to the Board for final disposition.

Textbooks are available free to students as a loan. Parent(s) will accept full responsibility for the proper care, preservation, return, or replacement of textbooks issued to the student(s). The condition of each book and a book number shall be recorded by the teacher issuing it.

The life of the book is considered to be six (6) years. Charges for lost books will be the remaining life of the book. Damage fines will be based on the wear beyond that normally expected for one year. For one year's wear there will be no charge.

Fines may be assessed for overdue, damaged, or lost library books. In no event will the fine exceed the current cost of replacing the book.

Students are prohibited from using electronic devices in any manner that interferes with or is disruptive of the educational process, which violates the security or integrity of educational materials or tests, or which invades the privacy of students, employees, volunteers, or visitors. Unauthorized use or improper storage of a device will result in confiscation of the device until such time as it may be released to the student's parent or guardian. A student in violation of this policy is subject to disciplinary action at the discretion of the principal.

(Note: Title IX regulations require districts to identify the name, address and telephone number of the person who is responsible for coordinating the district's compliance efforts. A policy should not be adopted with a person's name in it; rather, the identifying information can be added and amended as necessary.)

Interference/Disruption of School Activities (School Board Policy 6.306)

The staff is authorized to take reasonable measures to establish appropriate school behavior. Any professional employee shall have the authority to control the conduct of any student while under the supervision of the school system. This authority shall extend to all activities of the school, including all games and public performances of athletic teams and other school groups, trips, excursions and all other activities under school sponsorship and direction.

Such measures may include the use of reasonable force to restrain or correct students and maintain order. A teacher, principal, school employee or school bus driver, in exercising the person's lawful authority, may use reasonable force when necessary under the circumstances to correct or restrain a student or prevent bodily harm or death to another person.

A student shall not use violence, force, noise, coercion, threat, intimidation, fear, passive resistance or any other conduct which causes the disruption, interference or obstruction of any school purpose while on school property, in school vehicles or buses, or at any school-sponsored activity, function or event, whether on or off campus. Neither shall s/he urge other students to engage in such conduct.

Harassment, intimidation and other conduct that may be considered "bullying" will not be tolerated. Students shall not engage in conduct that has the effect of unreasonably interfering with another student's academic development or that creates a hostile or offensive learning environment.

A student found guilty of misbehavior may receive punishment ranging from verbal reprimand to suspension and/or expulsion dependent on the severity of the offense and the offender's prior record.

Bus Conduct (School Board Policy 6.308)

In order to maintain conditions and atmosphere suitable for learning, no person shall enter onto a school bus except students assigned to that bus or parents of students or other persons with lawful and valid business on the bus.

The school bus is an extension of school activity; therefore, students shall conduct themselves on the bus in a manner consistent with the established standards for safety and classroom behavior.

Students are under the supervision and control of the bus driver while on his/her bus and all reasonable directions given by his/her driver or assigned aide shall be followed. A driver may remove a student in the event that the driver finds it necessary for the safety of the other student passengers or the driver, provided that the driver secures the safety of the ejected student for the uncompleted trip. A driver shall report to school authorities and/or the transportation supervisor as soon as possible, but no later than the end of the route, any student refusing to obey the driver or exiting the bus without the driver's permission at a point other than the student's destination for that trip.

The principal of the student transported shall be informed by the bus driver or the transportation supervisor of any serious discipline problem and may be called upon to assist if necessary. A student may be denied the privilege of riding the bus if the principal determines that his/her behavior is such as to cause disruption on the bus, or if he/she disobeys state or local rules and regulations pertaining to student transportation.

The suspension of a student from riding the school bus shall follow the same procedures as for any other school suspension. **Multiple bus suspensions may lead to long-term removal of regular education students from bus transportation.**

Any student who gets off the bus at any point between the pick-up point and school must present the bus driver with a note of authorization from the parent or the principal of the school that the student attends.

The Board recognizes that a student may occasionally need to ride a bus other than his/her designated bus. For each such occasion, not to exceed one (1) week per event, the student must have written parental permission and the approval of the principal or his/her designee. Students not assigned to a bus must have written parental permission and the approval of the principal or his/her designee to ride a bus.

Students who transfer from bus to bus while en-route to and from school shall be expected to abide by the discipline policies adopted by the Board and rules adopted by the staff of the terminal school.

Video surveillance shall be used only to promote the order, safety and security of students, staff and property.

The director of schools is directed to develop procedures governing the use of video cameras in accordance with the provisions of the law and established Board policies.

The use of hand signals, graffiti, or the presence of any apparel, jewelry, accessory, or manner of grooming which, by virtue of its color, arrangement, trademark, symbol, or any other attribute which indicates or implies membership or affiliation with such a group, presents a clear and present danger. This is contrary to the school environment and educational objectives and creates an atmosphere where unlawful actor or violations of school regulations may occur.

Incidents involving initiations, hazing, intimidations, and/or related activities of such group affiliations which are likely to cause bodily danger, physical harm or personal degradation or disgrace resulting in physical or mental harm to students are prohibited.

The director of schools will establish procedures and regulations to ensure that any student wearing, carrying or displaying group/gang paraphernalia, or exhibiting behavior or gestures which symbolize group/gang membership, or causing and/or practicing in activities which intimidate or affect the attendance of another student shall be subject to disciplinary action.

6. The principal shall immediately give written or actual notice to the parent or guardian and the student of the right to appeal the decision to suspend/expel/remand for more than ten (10) days. The notice shall include a statement that, unless the student's parent or guardian requests an open hearing in writing within five (5) days of receipt of the notice, any hearing will be closed to the public.

Section 504 and ADA Grievance Procedures (School Board Policy 1.802)

The Board is committed to maintaining equitable employment/educational practices, services, programs and activities that are accessible and usable by qualified individuals with disabilities.

DEFINITION

Section 504 of the Rehabilitation Act of 1973 provides that: No otherwise qualified individual with handicaps in the United States...solely by reason of his/her handicap, be excluded from the participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving federal financial assistance.

Title II of the Americans with Disabilities Act, 1990 provides that: No otherwise qualified individual with a disability shall be discriminated against in regard to job application procedures, the hiring, advancement, or discharge of employees, employee compensation, job training and other terms, conditions and privileges of employment.

COORDINATOR

The Board shall designate at least one employee to coordinate its efforts to comply with and carry out its responsibilities under the Americans with Disabilities Act (ADA) and Section 504, including any investigation of any complaint alleging non-compliance with the Acts or alleging any actions that would be prohibited by the Acts.

NOTICE

The Board shall make available the name, office address and telephone number of the ADA/Section 504 coordinator.

Methods of initial and continuing notification may include the posting of notices, publication in newspapers and student and employee handbooks and distribution of memoranda or other written communications.

COMPLAINT PROCEDURE

The coordinator will hear ADA/Section 504 complaints. Complaints shall be submitted orally or in writing to the coordinator who will endeavor to accomplish prompt and equitable resolution of complaints alleging any action that would be prohibited by the ADA/Section 504. The coordinator will respond to all complaints within twenty (20) days with a written response as well as information on further grievance procedures that may be followed if the complaining party is not satisfied with the coordinator's proposed resolution. There will be no retaliation against any person who files a complaint pursuant to this policy. Failure to abide by this policy will result in disciplinary action.

DUE PROCESS HEARING PROCEDURES

Section 504 of the Rehabilitation Act of 1973 provides the right to an impartial due process hearing if a parent wishes to contest any action of the school system with regard to a child's identification, evaluation, and placement under Section 504. If a parent/guardian requests a Section 504 hearing, the parent/guardian has the right to personally participate and to be represented at the hearing by an attorney or advocate at the parent's expense. Contested actions or omissions that are appropriate for a Section 504 hearing should involve identification, evaluation, or placement issues involving a child who has or is believed to have a disability.

Request for Hearing

A parent/guardian who wishes to challenge an action or omission with regard to the identification, evaluation, or placement of a student who has or is believed to have a disability as defined by Section 504, shall make an oral or written request for a due process hearing to the Section 504 coordinator. The request shall be made orally or reduced to writing on a form provided through the Central Office.

Impartial Hearing Officer

The director of schools or his/her designee shall appoint an impartial hearing officer to preside over the hearing and issue a decision. Such appointment will be made within fifteen (15) days of the date of receipt of a request for a due process hearing. The hearing officer will be hired as an independent contractor at no expense to the parent. The hearing officer that is appointed shall not be a current employee of the school system and shall not be related to any member of the Board of Education. The hearing officer need not be an attorney but shall be familiar with the requirements of Section 504 and the hearing procedures under Section 504. The choice of an impartial hearing officer is final and may not be presented as an issue at the due process hearing since such an issue would not relate to the identification, evaluation, or placement of a disabled child under Section 504. If a parent/guardian disputes the impartiality of the appointed hearing officer, he/she may raise such issue in a review of the hearing officer's opinion by a court of competent jurisdiction or in a complaint to the Office for Civil Rights.

Scheduling of Hearing

The appointed hearing officer shall set a date for the hearing within fifteen (15) days of his/her appointment and provide this information in writing to the parent/guardian and the Section 504 coordinator. The hearing shall take place at a mutually agreeable time and place.

Continuances

Upon a showing of good cause, the hearing officer, at his/her discretion may grant a continuance of the hearing date and set a new hearing date.

Legal Representation at Hearing

If a parent/guardian is represented by a licensed attorney at the due process hearing, he/she must inform the Section 504 coordinator and the appointed hearing officer of that fact, in writing, at least seven (7) calendar days prior to the hearing date, or the hearing can be continued upon the coordinator's request.

Pre-Hearing Conference

The hearing officer may order a Pre-Hearing Conference during which the parent/guardian or his/her representative will state and clarify the issues to be addressed at the hearing. The Pre-Hearing Conference will also serve to resolve preliminary matters, clarify jurisdictional issues, and answer the parties' questions regarding the hearing process. The Pre-Hearing Conference can be held via telephone or in person depending on the hearing officer's decision based on the convenience to both parties.

Dismissals

If, after the Pre-Hearing Conference, the hearing officer finds that the parent, as a matter of law, alleges and/or raises no factual claims or legal issues that come within his/her jurisdiction as a Section 504 hearing officer, he/she may dismiss the hearing and issue an order to that effect explaining the basis for such finding.

Hearing

The hearing shall be conducted in an informal, non-adversarial manner. The hearing shall be closed to the public unless the parent/guardian requests an open hearing. The hearing officer may reasonably limit testimony and introduction of exhibits for reasons of relevance.

Recording

Instead of a formal written transcript produced by a court reporter, the entire due process hearing will be video recorded. The school system shall provide a copy of the recording to the parent/guardian upon request. In order for an accurate recording to be made, the parties and witnesses shall introduce themselves at the beginning of their presentations. If a parent/guardian appeals the decision of the hearing officer to a court of competent jurisdiction, the school system shall prepare a written transcript of the hearing to be offered to the court as an exhibit.

Witnesses

Witnesses will present their information in narrative form, without the traditional question and answer format of legal proceedings. Cross-examination of witnesses will not be allowed, but a party may request that the hearing officer, at his/her discretion, ask a witness a certain question.

Format of Presentation

Each side will have an equal amount of time to present their positions as determined by the hearing officer. The parent/guardian will present his/her case first by making an opening statement outlining the issues, calling witnesses, and making a closing argument. The school system will present its side next. At the end of the school system's presentation, the parent/guardian may offer a short response. Each side may present personally or through their representatives.

Submission of Exhibits

As part of their presentations and at the discretion of the hearing officer, the parties may submit any reports, evaluations, correspondence, notes, or any other documents that may support their positions. Exhibits submitted to the hearing officer by either party must be marked. The hearing officer may, in the exercise of his/her discretion, reasonably limit the number of documents to be submitted for his/her review, as well as the number of witnesses and the length and/or scope of their presentations or statements.

Closing Arguments

The hearing officer may allow or request written closing arguments summarizing and characterizing the information presented at the hearing.

Decision

The hearing officer may make an oral ruling at the conclusion of the hearing or take the case under advisement and issue a written opinion. Such decision shall address all of the issues raised by the parent/guardian as well as any corrective actions, if any, the school system must take. Any issue or claim raised by the parent/guardian that is left unaddressed by the hearing officer in his/her decision will be deemed to have been denied. The decision must be issued within forty-five (45) days after the date the Request for a Due Process Hearing is received by the district. The hearing officer may not award attorneys' fees as a part of the relief granted to a parent/guardian or the district.

Review Procedure/Appeal

If the parent/guardian is not satisfied by the decision of the hearing officer, he/she may seek review of the decision in a court of competent jurisdiction.
