# District leaders continue holiday tradition of volunteering

### *Principals, Chiefs assist RIFA with meals, snack backpacks*

School and district leaders visited RIFA recently to participate in the Superintendent's annual service day as 26 principals joined a number of district administrators and the executive team to pack snack backpacks and more than 200 Thanksgiving meals as part of RIFA's hunger-free holiday. This is the 3rd year

JMCSS leaders have visited RIFA during the holiday season to volunteer. It's our hope that local partners will join in on the efforts this holiday season. In 2022, RIFA distributed more than 200,000 meals to students through the Snack Backpack and School Food Pantry programs! Now that's #WINNING for the community.
