

## JACKSON-MADISON COUNTY SCHOOL SYSTEM

# Mayor Conger assists with Leap Up For Literacy kickoff

*Community partners, alumni promote the joy of reading*

**D**o you know what all lifelong learners have in common? The ability to read and comprehend! These are traits we want to instill in our students and all members of the community. Several local partners and alumni are joining us in these efforts. **LEAP UP FOR LITERACY** will be an ongoing campaign to promote literacy

throughout Jackson and West Tennessee. Jackson City Mayor Scott Conger has assisted us in kicking off the campaign! Visit [www.jmcss.org](http://www.jmcss.org) to watch the video kickoff and to discover ways students, individuals and families can increase literacy. We're committed to hopping up in literacy every year!
