# Academy Sports provides \$3,000 baseball shopping spree

## *Middle Schoolers receive equipment for inaugural season*

**T**wenty middle school baseball players received a \$150 Academy gift card to shop for new baseball gear at Academy Sports + Outdoors at 193 Stonebrook Place. High school athletes & parents joined the newcomers to assist with picking out gloves, cleats, bats, and more.

We're appreciative of Academy's support of the JMCSS Middle School Baseball League for the inaugural season. We continue to win because of the support of our community partners. That's #WINNING even before the games begin this week at the West TN Healthcare Sportsplex. #ChooseUS
