Three district middle schools advance to state robotics championship

JMCSS represented at State Championship for 3rd consecutive year

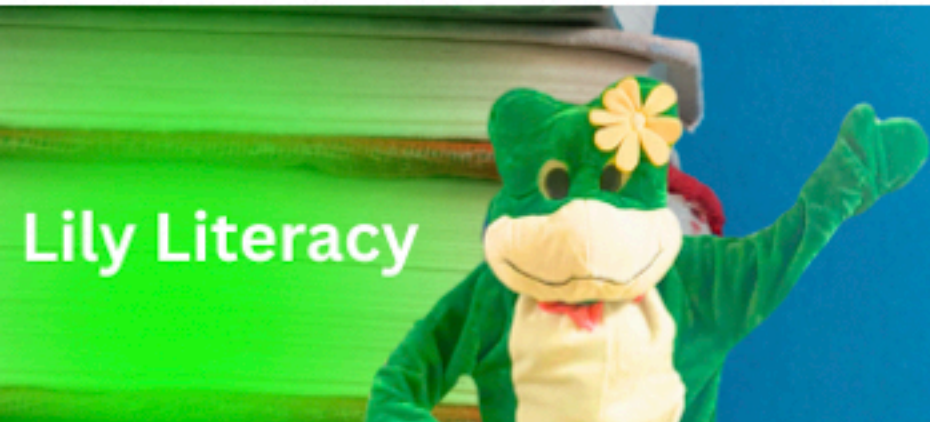

Jackson Academic STEAM Academy, JCM Middle, & Community Montessori have qualified to compete at the **2025 Middle School State VEX IQ Robotics Championship** in Hendersonville, TN. Through tournament match play, skills coding & driving challenges, engineering notebooks, and judges' interviews, forty-four teams from across the state will battle it out for the prized few invitations to the 2025 VEX

Robotics World Championship. Best of luck to teams 86442M "Space Odyssey Squad" (JASA), 49608C "CougarTrons" (JCM-MS), and 71601C "Mavericks" (Community Montessori) as you compete this weekend! The VEX IQ Robotics Competition provides students with exciting, open-ended robotics and research project challenges that enhance their STEM skills through hands-on, student-centered learning. Now that's #WINNING
