Elementary basketball returns to crowd's delight

Excitement returns as 3rd season is underway for elementary teams

Elementary basketball is back for its third season, and this year promises to be the most exciting yet! With all schools now familiar with the format, the competition will be tougher and the games more intense. The third graders who first took the court in year one are now experienced fifth graders, ready to lead their teams. The six-game regular season will build up to the annual

tournament, where young athletes will compete for district bragging rights. Beyond the scoreboard, these games help instill teamwork, discipline, and perseverance. Good luck to all of our district teams—let's fill the stands and support our young athletes as they grow both on and off the court! Visit jmcss.org for the complete schedule and ticket information.

I have a question for you. How did we do in January? It's never too late to share your feedback with me and my team. Try it out now by visiting www.jmcss.org/letstalk A strong circle of communication makes everything better. Let's talk!

Vuelve el baloncesto de primaria para el deleite de la multitud

La emoción regresa con la tercera temporada en marcha para los equipos de

El baloncesto de primaria regresa para su tercera temporada y este año promete ser el más emocionante hasta ahora! Ahora que todas las escuelas están familiarizadas con el formato, la competencia será más dura y los juegos más intensos. Los alumnos de tercer grado que salieron a la

cancha por primera vez en el primer año, ahora son alumnos experimentados de quinto grado, listos para liderar sus equipos. La temporada regular de seis juegos les preparará para el torneo anual, donde los jóvenes atletas competirán por el derecho a fanfarronear del distrito.

Al comenzar otro emocionante semestre formando a los líderes del mañana, quiero animar a los padres y empleados a compartir sus comentarios utilizando la plataforma Let's Talk. Pruébala ahora visitando
