

JACKSON-MADISON COUNTY SCHOOL SYSTEM

Record-high 99 JCM-ECH students enrolled at JSCC

Early College High juniors, seniors continue path to associate degrees

Jackson Central Merry-Early College High continues to provide one of the most innovative post-secondary opportunities for high school students in Madison County. The school's associate degree program has taken off since its first graduating class of 17 students in 2019. In

five graduating classes, JCM-ECH has amassed approximately 136 associate degrees. The JCM-ECH model is unique and one of only a few in the state. Associate degrees can be obtained upon graduation at no cost to families. Now that's #Winning and another reason to #ChooseUs
