TVA, JEA award JMCSS \$14,000 in STEM grants

Educators to develop science, technology, engineering, and math projects

Through a competitive STEM grant process funded through Tennessee Valley Authority (TVA) and Jackson Energy Authority (JEA), teachers from Arlington Elementary, Community Montessori, Jackson Academic STEAM Academy (JASA), and Rose Hill Elementary were awarded grant dollars to utilize within their classrooms. Over

\$1 million in grants was given to educators in public and private schools to develop science, technology, engineering and math education projects across the Tennessee Valley. The program received 458 grant applications from across TVA's seven state service territory, but only 238 were selected for funding. Congratulations, teachers! #winning
