Congratulations to Mr. Albert Riney, Liberty Tech Teacher of the Year!

Congratulations to Mr. Riney on being selected Teacher of the Year! Thank you for always setting high expectations and your commitment to educational excellence!

Whether it's dancing in a TikTok, leading a PLC session on student

engagement, or planning and teaching a lesson, we can see your love for students and your commitment to excellence in education. Thank you for setting high expectations for every student. It's no wonder the state consistently recognizes you as a Level 5 teacher! From all of us at Liberty Tech, thank you for being a part of our Liberty Tech Family and we are honored to serve with you! Congratulations on being selected **TEACHER OF THE YEAR!!**

Crusaders of the Week

1/30 **Evelyn Flores** - 9th grade Evelyn has maintained a high average, in her creative writing and English 1 honors class for the fall and spring semesters. She has very good attention to detail and is very thorough and her classwork and any assignments that she is given. Evelyn is also a 9th-grade representative In Student Government Association. Evelyn is always willing to help others and is always respectful and considerate of others.

1/22 **Anaiya Newby** has been selected by the office of Mayor Scott Conger to represent Liberty Tech on the Mayor's Youth Council for 23-24. Three years in a row for JROTC. She was selected 1 out of 10 juniors in the district.

2023 Basketball Homecoming Queen and Court

We are pleased to present our new **2023 Homecoming Queen Lauren Warren**. All three ladies Madison Chism, Lauren Warren, and Laquavia Holiday campaigned well and the race was very close. Unfortunately, there can be one winner. All three ladies looked fabulous Tuesday evening.

Congratulations, Our New 2023 Winter Homecoming Court: Ms. Lauren Warren, Queen; Miss Freshman: Antoinette McKinney; Miss Sophomore: Caris DeVore; Miss Junior: Brooklyn Cole

Liberty Tech CyberSecurity Students

Our **Cybersecurity students** have taken ownership on revamping our bag check when entering the building. They continue to survey, prepare, and present their research on how we can improve safety and security in our building. Most recently they presented to the school board on their **360 School Safety Assessment!** They are excited about next steps!! Thank you, Dr. King, Dr. Catlett, and Mr. Gilmer for your support and the shirts!

Top fan

James William Johnson

Great Job!! The presentation was informative and very professional. We will be sharing the fact findings to improve security in our schools district wide. This student lead project is proof that our students are knowledgeable and value their space.

Liberty Tech CyberSecurity Team: Coach Anthony Wallace (Teacher), Mark Murray, Anaiya Newby, Justin Smart, Reshaun Williamson, Cody Jennings, Jahlon Dolphin. not pictured: Seanterrious McNeal and Kellen Jackson

Lane College Choir Visits Liberty Choir

What a **BOSS Move** by Choir Instructor Mrs. Maclin...**Building Opportunities for Student Success!!** She coordinated for Lane College's choir to visit and perform with and for the Liberty choir.

Seniors were given the opportunity to do on-the-spot auditions. Tre Marsh and Lamaya Fason stood out and both were offered scholarships upon completion of an application. Underclassmen were able to sing with Lane and grasped new concepts and techniques to apply to their upcoming choral performances. Great job students for being courageous! Thank you, Professor Rainbow and the Lane College Choir for supporting Liberty!!

Crusader Cuts

Ms. Aiosa's Small Animal Science classes have started grooming at Crusader's Cuts. The student-led dog grooming business **Crusader Cuts** is open and ready for your furry friends! If your dog needs a bath, nails trimmed, a hygiene cut, or even a full body haircut and anything in between let Ms. Aiosa or one of my small animal students know and we will get your dog an appointment. We groom most Tuesdays & Thursdays during the 2nd & 4th blocks. We have drop off starting at 6:30 am and pick up goes until 3:00 pm. Attached is our [price list](#). ALL Clients must be up-to-date on shots and we require a pet release form and a copy of their shot records before they show up for their appointment.

To make an appointment contact Ms. Aiosa
Email: mnaiosa@jmcss.org
Phone: (731) 215-2718 or (731) 407-8177

Liberty FFA

This month our FFA students got an opportunity to attend the Tennessee Leadership Conference where they were led by former FFA State officers and worked alongside middle and west Tennessee chapters meeting other students in FFA. Their sessions went over leadership & communication skills. The students also learned how to look at themselves and reflect on their accomplishments, make smart goals for themselves, their school year, and their chapter; all while bonding with their chapter and officer team.

Liberty's Cosmetology Program Awards

In Cosmetology II, 22 students received their Hair Braiders Certification. Students completed 16 hours of health, sanitation, and hygiene training. Students also had to complete a written and practical performance examination. Way to go Liberty Cosmetology II students and Mrs. Anderson!!

Mrs. Darnell's English Class

Mrs. Darnell's English class created their own advertisements using rhetorical appeals such as logos, pathos, and ethos. What is Rhetoric? Rhetoric is the study of effective speaking and writing. The art of persuasion. So proud of my 10th graders using specific word choices to express themselves. Great Job Crusaders! #BossMovesOnly

Art Classes

Mrs. Eblen's Art students were highly engaged in creating graffiti tags and thumbnail sketches. They heard rich conversations among the students about the tasks. Great job, Mrs. Eblen and students!!!!

Environmental Science Classes

Ms. Moore's Environmental Science class completed a STEM activity. In this OIL SPILL activity, students had to remove the crude oil from the water by using spoons, cotton balls, and sponges. They researched the impact oil spills have on our environment and the marine ecosystem. The one who does the work does the learning! [#techlife](#) [#stem](#)

Liberty SGA: Student Government Association

Liberty SGA: Student Government Association Induction Ceremony... Student leadership at its best!! Thank you for your service and commitment to our school. Shout to Ms. Kinnison for coordinating and organizing the SGA Induction Ceremony and for serving as SGA Advisor! Our students were amazing and you would have made been so proud!!

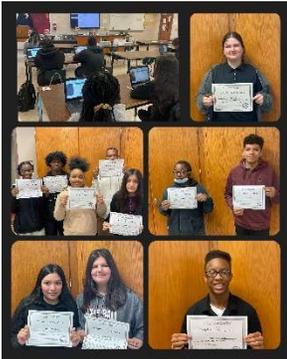

Student Government Association (SGA) is an elected group of students representing the needs of Liberty's student body, led by a president elected by the entire student body. Each school has its own elected SGA officials consisting of a vice president, sophomore and freshman senators, and other appointed officials.

BASF AG Industry Certification

Congratulations to the students who have earned the BASF Plant Science Certification! The BASF Plant Science Certification verifies individuals have acquired the knowledge and skills necessary to excel in a variety of plant, natural, and environmental science-related fields.

OSHA-10 Industry Certifications

Congratulations to all crusaders who've earned their OSHA-10 Industry Certification! In addition to enrolling as members of the National FFA Organization, this month students in Agriscience began OSHA-10 training. OSHA-10 will allow our students to gain employment, completes a course at TCAT Crump, and counts as an Early Post-Secondary Opportunity. **Tennessee College of Applied Technology Crump — at Liberty Technology Magnet High School.**

FFA Strawberries and Flower Sales

Our FFA fundraisers will be starting soon. Students will be selling three burgundy carnation bud vases in LTHS colors. Ribbon colors are: Burgundy, Black, Silver or white.

FFA is also taking orders for strawberry. Please make plans to purchase from our students.

8 Qts. - \$25

4 Qts. - \$15

Agriculture – Greenhouse planting

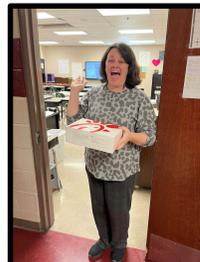

Mr. Wilson's class has started spring plants that will be available later in the semester. They are also growing lettuce that will be available for salads in the Taste of Liberty Cafe in a few weeks! Here are some recent pictures from the greenhouse happenings.

Special Thanks

Special thanks to the National Guard for their continued support!! They surprised our entire faculty and staff with lunches from Chick-fil-A!! This was such a wonderful treat! This is the Techlife!!

Liberty Club Day

Mr. Pearman states “It’s crazy how life comes at you full circle! I started out in **YoungLife** in high school and now I’m officially leading a YoungLife Club! We had fun at our first club meeting today! Thank you Luke Sadler for trusting in me and believing that we could bring YoungLife back to Liberty!”

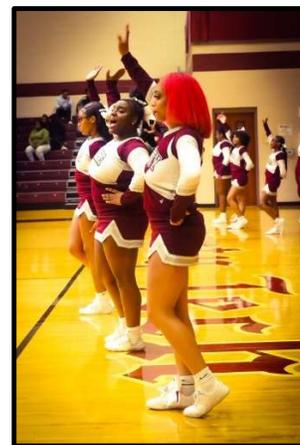

Building Connections and Culture....The last Friday of the month is **CLUB Day** at the TECH! Check out these Crusaders hard at work and play!! Our Clubs include: Chess, Sign Language, Cooking, Gaming, 20th Century History Movies, SGA, BETA, Automotive, and many more.

Basketball Season is Ending – Come Out to Support Our Crusaders!

**Great Job Crusaders!
We Are So Proud of You!!**
