## **#ONETEAMONEDREAM**

**\*\*Kicking Off Quarter 2 at  
Rose Hill STEM School\*\***

Quarter 2 is here, and before we know it, the holidays will be too! Our scholars continue diving into project-based learning in their classes, and we're focused on helping everyone move forward in all areas of academics. All scholars in grades 3-8 have been sorted into Houses, and House Meetings will begin soon! Families, we need you! Make sure your scholar is at school every day and keep encouraging them to do their best. Let's make this quarter a great one!

## **#WAYTOGROW**

Pictured: 7th graders in Ms. Franklin's class collaborate with Ms. Chatman to start seedlings for our Germination Station to be transplanted to our Greenhouse.

## **UPCOMING EVENTS**

- STEM Night-- October 24
- Career Day-- October 25
- First House Meeting-- November 1
- Harvest Festival-- November 2

# ROSE HILL RAIDER REPORT

Dear Parents,

On Monday, October 21, instructional reports detailing your scholars' scores were sent home. We encourage you to discuss their performance with them.

- If they received a score of 3 or higher in any subject, please remind them to maintain their focus and continue their great work!
- If they scored a 3- or lower, kindly assist us by encouraging them to pay attention in class and seek help when needed.

Teachers will be sending home foundational activities designed to support their growth!

Most importantly, please have your scholar at school ALL DAY, EVERY DAY!
